

West Kirkland Mining Adds to Its Technical Team

VANCOUVER, BRITISH COLUMBIA, September 15, 2010 – West Kirkland Mining Inc. (WKM: TSX-V) (“West Kirkland” or the “Company”) is pleased to announce the appointment of Ken Kryklywy as Manager, Ontario and Quebec. Mr. Kryklywy is a Professional Engineer with 25 years of mining and exploration experience including a track record of gold discovery in the Timmins and Kirkland Lake gold camps. Recently, Mr. Kryklywy was a member of the team that outlined a 2.8 million ounce gold deposit at the Young-Davidson Mine near Kirkland Lake and located along the same geological break being explored by West Kirkland. In addition, Mr. Kryklywy’s work outlined a new 800,000 ounce gold resource at the Holt-Holloway Mine, north of Kirkland Lake. His experience spans early stage exploration to mine resource management and operations. Mr. Kryklywy lives in the Kirkland Lake area and he has strong ties to the community.

Mr. Kryklywy will be leading the Company’s drill program in the prolific Kirkland Lake Camp. Along with Michael Allen, the Company’s Vice President, Exploration, Mr. Kryklywy will have the mandate to expand the Company’s opportunities along the major gold breaks controlling gold deposits in North America.

West Kirkland’s President, R. Michael Jones, P.Eng said, “West Kirkland is very fortunate to have Ken join our team. His experience and track record of discovery in the exact trend that we are exploring is ideal and we anticipate that Ken will be able to advance our systematic exploration for gold and to help grow our business to the scale that our shareholders expect.”

On behalf of the Board of Directors

“R. Michael Jones, P. Eng”

About West Kirkland Mining Inc.

West Kirkland Mining was formed in 2010 and is focused on gold exploration in North America. The Company has consolidated significant mineral rights positions in the Kirkland Lake area of Canada and the Carlin trend of Nevada – two of North America’s Premier Gold camps. The founders of West Kirkland Mining have successful gold discovery and mine operations experience in both Ontario and Nevada over the past 25 years.
